ITEM 1. ROLL CALL/CALL TO ORDER

The Citizens Multimodal Advisory Committee (CMAC) meeting was conducted as a Zoom Webinar. The meeting was called to order at 5:32 p.m. by Xuan Wang, RTC Senior Technical Planner.

ITEM 2. APPROVAL OF AGENDA

The agenda was approved as submitted.

ITEM 3. PUBLIC COMMENT

Hello, I would like to submit a general public comment for the CMAC meeting dated 8/2/23. My public comment is as follows:

My name is Cole Peiffer and I'm a Transportation Planner with Alta Planning + Design and we are currently partnering with researchers at the University of Nevada Reno to conduct a research study about pedestrian and bicycle safety, specifically looking at near-misses in the area. This effort will include a survey to help identify areas where you may have experienced a near miss while walking or

biking. A collection of locations will be further evaluated for near-misses using LiDAR sensors and the study will culminate in a community wide Geo-Design workshop.

The initial survey for this effort will go live on **August 11th** at www.NearMissRenoSparks.com. Please mark your calendars to take the survey and help further the understanding of pedestrian and bicycle safety in the Truckee Meadows. When you complete the survey and enter your email address, you'll also be entered to win one of ten \$150 prepaid cash cards, courtesy of Alta Planning + Design.

For any additional information, please reach me at colepeiffer@altago.com or at 775-237-8333.

This concludes my public comment.

Thank you,
Cole

ITEM 4. APPROVAL OF THE August 2, 2023, MEETING MINUTES

The CMAC August 2, 2023, meeting minutes were approved as submitted.

ITEM 5. RECOMMEND APPROVAL OF THE PROPOSED FFY 2023-2027 REGIONAL TRANSPORTATION IMPROVEMENT PROGRAM (RTIP) PROJECT LISTING

Graham Dollarhide, RTC Senior Technical Planner, gave a presentation on the proposed FFY 2023-2027 RTIP project listing. A copy of the presentation is on file at the RTC Metropolitan Planning Department.

There was discussion on funding amounts and specific projects.

Juan Martinez asked if funding is available for ADA buses to have better shocks because drivers go too fast over speed bumps. Graham Dollarhide stated there are funds available for replacement vehicles and preventive maintenance for parts and service when needed. Michael Dulude, Senior Technical Transit Operations Planner, responded he will forward Juan's comment to Susi Trinidad, RTC ADA Paratransit Administrator.

Paul Hewen made a motion to recommend approval of the proposed FFY 2023-2027 Regional Transportation Improvement Program (RTIP) project listing.

Eric Ammerman seconded.

The motion carried unanimously.

ITEM 6. MEMBER ANNOUNCEMENTS/AGENDA ITEMS FOR FUTURE CMAC MEETINGS

Sue-Ting Chene announced there is a bike valet during Food Truck Fridays. Ride your bike to the event and they will park and lock it up for you.

ITEM 7. RTC/RIDE/ACCESS STAFF ITEMS

There were no staff items.

ITEM 8. PUBLIC COMMENT

There were no public comments.

ITEM 9. ADJOURNMENT

The meeting adjourned at 6:09 p.m.

REGIONAL TRANSPORTATION COMMISSION

Metropolitan Planning • Public Transportation & Operations • Engineering & Construction

Metropolitan Planning Organization of Washoe County, Nevada

MEETING DATE: October 4, 2023

AGENDA ITEM 6

To: Citizens Multimodal Advisory Committee

From: Chris Tolley, Regional Planner
Truckee Meadows Regional Planning Agency

RECOMMENDED ACTION

Acknowledge receipt of a presentation regarding the Public Infrastructure Plan (PIP) effort from the Truckee Meadows Regional Planning Agency (TMRPA).

BACKGROUND AND DISCUSSION

The 2019 Truckee Meadows Regional Plan was adopted on October 10, 2019. As part of the update, TMRPA staff, together with staff from the jurisdiction and entities, sought to continue increasing our regional understanding of public infrastructure across jurisdictions and entities. This was encapsulated in Policy *PF 3 – Creation of a Public Infrastructure Plan (PIP)*, which requires the creation of the identified plan. The PIP will assist TMRPA in more effectively carrying our statutory requirements regarding the connection between planning and public infrastructure.

The PIP effort officially kicked off in February, 2023, and is a component of the 2024 Regional Plan Update process. The goals for the effort:

Goal 1: Create a Public Infrastructure Plan Document that addresses the public facilities and services listed in RP policy PF 1 and as described in NRS 278.0274 subsections 4 and 5 through narrative chapters and references to existing plan documents.

Goal 2: Coalesce and combine available data on existing and planned infrastructure and service provision, both spatial and non-spatial data, to create a one-stop-shop for this information.

Goal 3: Design and implement policy improvements to the 2019 Regional Plan, based on narrative description and data compilation, in advance of the 2024 5-year Regional Plan update.

This presentation will provide members of the Citizens Multimodal Advisory Committee with an introduction to the effort, and an update about where we are at in the overall process.
