TRANSPORTATION ALTERNATIVES (TA)

SET-ASIDE PROGRAM

Call for Projects

The Transportation Alternatives (TA) Set-Aside Program provides funding for a variety of generally smaller-scale transportation projects. Agencies eligible to receive TA Set-Aside funds include local governments, natural resources or public land agencies, school districts, Tribal governments, and non-profits. Eligible projects include infrastructure-related projects for non-motorized users, historic preservation related to transportation facilities, Safe Routes to School programs, recreational trails projects, and environmental mitigation activities related to transportation.

The RTC administers the TA Set-Aside Program for the Reno-Sparks Metropolitan Planning area. This Call for Projects invites eligible agencies to apply for funding available for federal fiscal years 2023 – 2024. RTC anticipates awarding at total of \$1,500,000 for this period. Applicants may submit one application per funding year. The TA Set-Aside guidance and application were approved by the RTC Board on February 24, 2023 and are available on the [RTC website](#).

The deadline for submittal of applications is **4:00pm on May 19, 2023**. Application materials, including a detailed budget, project map, and other relevant documents, should be submitted electronically to Graham Dollarhide at gdollarhide@rtcwashoe.com. Questions may be directed to Graham Dollarhide, Senior Technical Planner, at 775-332-9519 or by email.
