

## ABOUT THE STUDY

This plan will develop a program for future transportation investments along the Rock Boulevard corridor from North McCarran Boulevard to the Truckee River. Recommendations will focus on enhancing safety and mobility, improving traffic operations and freight movement, and enhancing infrastructure for walking, bicycling, and transit. The plan will include recommendations for implementation and funding.

## GET INVOLVED

- Scan the QR code or visit <https://arcg.is/0GCPnS1> to take our brief community survey (open through 4/30/26).
- Visit the RTC website: <https://rtcwashoe.com/rock-boulevard-corridor-study/>
- Contact RTC Project Manager Shay League at [sleague@rtcwashoe.com](mailto:sleague@rtcwashoe.com) or 775-332-0168.
